

Lake Superior Woodturners

Meeting Notice

Meeting Date: Wednesday, June 14th, 2017

Time: 6:00 P.M.

Place: H&H Exports
1205 93rd Ave W.
Morgan Park

We are now in our “Summer Schedule”, so our meetings will be on the second Wednesday of each month, unless otherwise noted.

The June meeting will about steady rests. Several of our members will bring various styles and explain how they function. If you have a steady rest, bring it along to show to the rest of the group!!

The club needs six images of turnings which will be used by the Art Institute for publicity about the November show. We will have a photo booth set up at the meeting for this purpose. If you are planning on entering a piece (or pieces), please bring them to the meeting so we may take photos of them.

There will be a “Sharing Session” on June 21st, at 6:00 P.M., if there is enough interest. If you are interested, let us know at the meeting, or please contact Robb Glibbery.

If you have any questions please contact:
