

Lake Superior Woodturners

Meeting Notice

Meeting Date: Saturday November 11th, 2017

Time: 9:00 A.M.

Place: H&H Exports

1205 93rd Ave W.

Morgan Park

At this meeting, Romaine Meller will be doing a demo on scoops. And so, here's the "Scoop" on what he will be doing. Romaine will talk about what wood works best, mounting, and possible use of steady rest and tail stocks. He will also show the tools he uses and demonstrate his hollowing cuts, as well as methods for making off-set handles and band saw cuts.

Remember, if you are entering work in the November show, you must send Robb Glibbery a list of the pieces, as well as value. He will also need your contact info. Robb needs this information very soon, so do it as soon as possible. His email and phone number are listed below. Also, you must be a paid-up member of Lake Superior Woodturners to be in the show. If you haven't paid your dues yet, do so as soon as possible.

There will be a "Sharing Session" on Saturday, November 18th, if there is enough interest. Please let Robb know if you are planning on attending.

Remember, all certified club members can use the club's facility during the week. If you wish to come in and use any of the equipment to do a project, give Paul Howard a call at: 218-626-2715, EXT 702 to set up a time when he will be available to let you in. This is another great bonus of being a club member, so please take advantage of it!!

If you have any questions, please contact:
